Our Vision: Together as one global LSM, we will act as a responsible business and become a high performing financial services company of the future. **For Mutual Advantage**

Our ESG Ambition: Guided by our Identity and Values, our ESG ambition is to **advance resilience and inclusive growth** by focusing on four strategic pillars:

Increasing customer resilience

Helping clients adapt and mitigate risks affecting their lives

Enabling sustainable growth

Supporting an equitable and responsible climate transition
Integrating ESG into our day-to-day decision making

Improving lives and communities

Advancing security, furthering opportunity, and building strong community through philanthropy and volunteering

Advancing diversity, equity, and inclusion

Embedding DEI across all aspects of our business
